## MERCEDES MAYBACH-STYLE METRIS

Our custom 2021 Mercedes-Benz Maybach-style Metris defines first-class travel. The sleek two-tone black and silver exterior is amplified by high-end wheels, a custom grille, and chrome trimmings. It feels like an exclusive experience from the moment you step inside, with innovative options such as power footrests with massaging chairs, a custom stereo system with Apple CarPlay control, multicolour Rolls Royce-style star roof lighting, and more. From exquisite materials to innovative luxuries, this vehicle is one of the most magnificent vans in the world.

We are proud to introduce the latest addition to Limobook's fleet.
